Our Founder

International, Trading & Investments Centre
UAE . Egypt . Georgia

- Mr. Islam Shalaby, established ITC Group in 1967 as a publishing firm by 1972 he added Egypt's first GSA (Airline Agency) with Gulf Air the largest airlines in the MENA Region.
- In 1981, when ITC had become an established and successful venture, he opened the four-star Nova Park Hotel, adjacent to the villa of Youssef Wahbi, a leading light of Egyptian cinema and theater. For Mr. Shalaby, who was passionate about promoting culture and was a great admirer of Wahbi work, the hotel become a labor of love, and quickly flourished.
- In 1992, Mr. Shalaby decided to transform his hotel into a luxurious five-star establishment with Sheraton management Sadly, he passed away 1998 before he could attend the opening in 2000.
- Omar Shalaby, Chairman of the International Trading Consultants Group and Dalia Shalaby the Vice - Chairman both say their father was their inspiration and their mentor.

Currant Managements

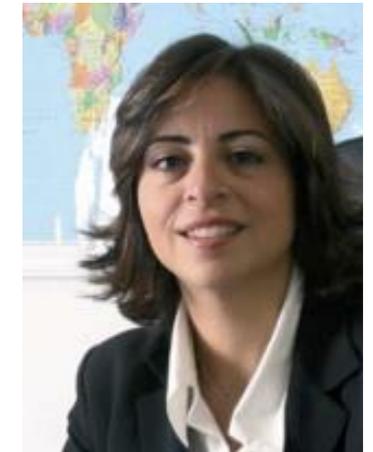

- We are a customer driven company that has consistently demonstrated its ability to expand market share and profitability in the face of increasing economic, legislative & social challenges to all facets of the industry.

Omar I. Shalaby,
Chairman

- We have come a long way since the company was founded in 1967 as the very first airline GSA in Egypt. The challenge paid off and throughout the following decades other major carriers have joined ITC's portfolio of partner Airlines. we provide our customers with a fully comprehensive and integrated service and that gives us the edge.
